EXPERIENCE

Web Developer Intern

Unified Mentors Pvt. Ltd.

Aug. 2024 - Sep. 2024

Gurgaon, Haryana

- Collaborated with senior developers to integrate frontend technologies (HTML, CSS, JavaScript) with backend services.
- Assisted in database management, executing CRUD operations, and ensuring data integrity.
- Contributed to debugging and optimizing code for better performance, reducing bugs by 15%.
- Worked on version control (Git) and RESTful API development to enhance project functionality.
- Participated in daily stand-ups and sprint planning sessions, enhancing Agile development practices within the team.
- Developed unit tests for new features, increasing code reliability and maintainability by ensuring that all changes met specified requirements.

Quality Check Intern

Mahabal Metals Pvt. Ltd.

Feb. 2024 - Mar. 2024

Kupwad, Maharashtra

- Conducted detailed inspections of automotive metal parts, reducing defects by 10% through collaboration with cross-functional teams.
- Assisted in optimizing manufacturing processes, improving production efficiency by 8%.
- Developed comprehensive reports on quality inspection findings, helping to drive continuous improvement initiatives.
- Utilized quality control tools such as Pareto analysis and fishbone diagrams to identify trends and areas for improvement in production quality.
- Trained new interns on quality assurance protocols and inspection techniques, fostering a culture of quality and attention to detail.

PROJECTS

E-commerce Platform | React, JavaScript, HTML and CSS, Node.js, Bootstrap, Tailwind

Oct. 2024 - Present

- Built a MERN stack-based e-commerce platform with product listings, a responsive cart system, and user authentication.
- Integrated payment gateways and RESTful APIs for order management and user services.
- Increased page load efficiency by 20% through code optimization and caching techniques.
- Implemented user reviews and ratings for products, enabling users to make informed purchasing decisions.
- Conducted usability testing and gathered user feedback to continuously improve the platform's design and functionality.
- [Live Demo](#)

Portfolio | HTML and CSS, JavaScript, Bootstrap

Sep. 2024 - Present

- Designed a personal portfolio showcasing projects, skills, and experiences, with a responsive layout using Bootstrap and JavaScript interactivity.
- Improved user engagement by 30% with interactive elements and a clean UI.
- Optimized SEO performance by implementing best practices in HTML structure and metadata, leading to increased visibility in search engine results.
- Added a blog section to share insights on projects and industry trends, fostering a community of like-minded individuals and potential employers.
- Integrated a contact form with validation to facilitate easy communication with potential clients or employers.
